

The Next Chapter  
The Council Grove Public Library Staff

It's that wonderful time of year, when Kansas can't make up its mind. Thankfully, things are going steady at the Library. We have several Kansas-themed books on display to celebrate Kansas Day on January 29<sup>th</sup>! Come down and read a book about the Kansas Opera Houses, Kansas maps, or the some amazing murder mysteries.

Our staff has put out our new February items and we are excited to inform our patrons of what's on the "New" shelves here.

We have added the following Adult Fiction titles: "When Love Grows" by local author Deborah Dykeman; "Song of Silence" by Cynthia Ruchti; "High Desert" by Wayne D.
